GLB Insurance Group Has Record Growth *Relocates and Updates Agency Name*

[LAS VEGAS, Nev.] October 21, 2005— Record growth and development have earned a new address and a new name for the insurance agency formerly known as George L. Brown Insurance & Associates. With the updated name of GLB Insurance Group of Nevada, the agency will now call 4455 S. Pecos Road home.

"It is always exciting to know that your business has grown enough to demand a move to a new location that can provide ample space," said Russ Swain, President of GLB Insurance Group of Nevada. "Our revenues grew by an estimated 20 percent last year, and combined with a possible merger slated for next year, we have easily outgrown our old building. This move also gives us a chance to make a formal change to the name GLB Insurance Group of Nevada to reflect the agency's ownership and focus."

A new home and a new name not only offer sufficient space for the recent growth of the agency's business, but Swain also expects that it will promote the future expansion for the agency.

"We don't plan to stop growing – I'd like to see us grow out of this space in five years," said Swain.
